Survivorship Term Life Insurance, form S0682ar – change to 2001 CSO Mortality Table

On November 18, 2004, the Department approved policy form S0682ar.

S0682ar is a Survivorship Term Life Policy which was originally approved based on the 1980 CSO Mortality Table. This informational filing is being made to inform the Department that the policy will now be switched to the 2001 CSO Mortality Table.

The Company certifies that no changes have been made from the previously approved form.

The Actuarial Memorandum on file with the Department is the only document which needs to be updated as it references the mortality table used with the product. We are enclosing a revised actuarial certification reflecting the change in the Mortality table.

Please note that Michigan, our state of domicile, exempts this form from filing under Bulletin 97-03 of February 1, 1997 thus no submission was made to Michigan.

Any requisite fees and filing documents are enclosed. Your attention to this submission is appreciated. Should you have any questions or concerns about this filing, please do not hesitate to contact me.

Sincerely,
Michelle Fluet
